## #22 Saperavi 2018, Solomnishvili

---

**Code** SOLO001-BASE

Georgia is the cradle of wine, arguably the greatest viticultural region of the world, and following our Buying Trip to Georgia last year, we are delighted to bring you these superlative wines from one of Georgia's finest winemakers – Giorgi Solomnishvili. This is a very special wine – a single-varietal saperavi wine from the famous Kakheti region of Georgia and what a fantastic Saperavi it is – the Malbec of the Caucasus! This is small batch winemaking at its very best.

### **Tasting Notes:**

An impressive and complex bouquet, rich black fruit aromas, dark chocolate and soft oak lifted by a wonderful freshness. The palate is soft and silky, brimming with rich blackberry and prune fruits, black olives, a dose of cracked pepper supported by smooth, ripe tannins.
