Producer Overview	Château Princé, certified organic since 2015 by Ecocert, is a benchmark of the AOC Coteaux De L'Aubance, Anjou Villages Brissac and Anjou Blanc. Régis Vincenot's first acquisition in 2002, this estate is located at the gates of the Angers capital, in the town of Saint-Melaine-sur-Aubance. The property's vines form an exceptional islet on a shale hill overlooking the Aubance River. The top of the hill presents soils where slate dominates. These "hot" lands are planted in chenin to create dry or sweet white wines with a strong personality. Cabernet Franc, a more water-hungry grape, is planted on the slopes allowing optimal maturity for the production of dense and deep reds.
