<b>Producer Overview</b>	<p>Priorat is located 30 km west of Tarragona in the Spanish province of Catalonia. Combier Fischer Gerin Associés wines showcase the delights of Priorat's signature grape Garnacha, alongside Carignan and sum up the virtues of contemporary Spanish winemaking; they are Old World in the soul, tradition-bound wines, yet at the same time they are innovative and provocative. They combine the flamboyant, fruit-forward excitement of modern winemaking with the complexity and power of old vines.</p>
