

## Domaine St André Barrel Fermented Chardonnay

Code

ANDR035

This Premium Chardonnay is one of those treasures that can only be found on a singular land like the Domaine Saint-André. It is the golden gem of the vineyard.

## **Tasting Notes:**

This wine has a lustrous golden color. It is complex and expressive with notes of ripe pears and quince. There are subtle aromas of vanilla, honey and marron glacé. The palate is opulent with a silky texture. This wine is well balanced, with subtle toasted oak character.

VinificationThe harvest takes place at night, when the temperatures are the coolest. Gentle pressing of whole bunches in a pneumatic press preserves quality. Fermentation and maturation take place in French new oak barrels of 400 L providing toasty and vanilla notes. 50% of the wine undergoes a malolactic fermentation. The wine is kept on its fine lees for 4 months before bottling.ABV13%Size75clDrinking WindowDrink nowCountryFranceRegionLanguedoc-RoussillonTypeWhite WineGrapesChardonnayGenresVegan, VegetarianVintage2024StyleDry	ication

Producer Domaine Saint André	cer D	Domaine Saint André
Producer Overview  In the heart of Languedoc, facing the town of Sète and Mont Saint Clair, cradled by the Lagoon of Thau, the Domaine Saint-André, with an area of 30 hectares, brings together all the traditional grape varieties of the Languedoc (Cinsault, Carignan, Chardonnay, Muscat, Roussanne, Vermentino and Viognier), to which are added certain Bordeaux grape varieties (Merlot and Cabernet Franc). Its vineyard benefits from a Mediterranean climate tempered by maritime influences. Its soil, predominantly clay-limestone, is conducive to the production of excellent quality wines.	th to Ci ce be pr	the Lagoon of Thau, the Domaine Saint-André, with an area of 30 hectares, brings begether all the traditional grape varieties of the Languedoc ( Cinsault, Carignan, Chardonnay, Muscat, Roussanne, Vermentino and Viognier ), to which are added sertain Bordeaux grape varieties ( Merlot and Cabernet Franc ). Its vineyard benefits from a Mediterranean climate tempered by maritime influences. Its soil, peredominantly clay-limestone, is conducive to the production of excellent quality

Food Matches  Enjoy this wine with white meats, pasta carbonara, white truffle risotto, or chicken tagine with cristallized lemon. Serve it slightly chilled		
Press Comments  James Suckling, 2024, 91 points: "A structured, ample and focused chardonnay with notes of apples, sliced pears, cedar and sweet spices. Medium to full-bodied with a well-rounded mide palate. Well driven and cream, with a dense and seductive finish. Drink or hold."	ap
