Specification	
Vinification	This Blanc de Noirs is exclusively made out of black grapes coming from Premier Cru vineyards, recognised for their superior quality, it comprises of 60% Pinot Noir and 40% Pinot Meunier. They originate from the Village of Hautvillers located near Epernay in the heights of the Vallée de la Marne on its south-facing side. Various parcels across the village are blended to maintain consistency and balance from harvest to harvest and they use a mix of vines close to the river up to higher plantings bordering the forest. Fermentation occurs in stainless steel tanks and malolactic fermentation is used in order to balance the wine. Gardet Blanc De Noirs is bottle-aged on lees for at least 3 years and is only released after a minimum 3 months after disgorgement. A dosage of 8g/L is added.
