Vinification

This Demi-Sec is a "non-vintage", the House's know-how consists in offering a constant style and quality by reaching the perfect balance between the year's wines and a collection of reserve wines kept for purpose. 70% of the blend is from their main harvest while 30% is reserve, generally the reserve wine is the 3 years preceding the base harvest but can be older. The Grapes used are 45% Pinot Meunier, 45% Pinot Noir and 10% Chardonnay. Fermentation occurs in stainless steel tanks and undergoes malolactic fermentation followed by bottle ageing for at least 3 years on lees. Demi-Sec: designates a medium-sweet wine—which translates literally to half-dry– 36 g/L dosage is added which is ideal for those who appreciate smooth and sweet wines.
