

# CACHET WINE

---

## Grenache Blanc 172, De Visu

---

**Code** DEVI010

A charming southern French wine from our old friend, the talented Xavier Roger, whose name derives from the vine's growth cycle. Exactly 172 days between the bud break in the Spring and the leaf fall in the Autumn.

---

**Tasting Notes:**

Rich and expressive with notes of white peach, mango and a touch of lime blossom.

# CACHET WINE

Specification	
<b>Vinification</b>	The first step in crafting this Grenache is picking the grapes at perfect maturity to create a rich and balanced white wine. The pressing is very gentle in a pneumatic press with an extraction of the premium juices only. The fermentation is driven in stainless steel vats with temperature control (16/18°C). The wine is kept on its fine lees with regular stirring before bottling.

<b>Press Comments</b>	Jancisrobinson.com, 2023, 15.5 "Mango and lovage cream. An almost dessert-like richness but with Grenache Blanc's classic 'toasted-porridge' savouriness showing through on the end. Not long, but perfect for a creamy chicken bake!" Brian Elliott, Midweek Wines, January 2022: "Once largely a winemaker's "texture adding" bit-part player in France's Rhône Valley, the white version of grenache increasingly secures solo roles nowadays, particularly in the new world but – as in this example – also in Languedoc. <b>Read more online</b>
