

CACHET WINE

Jordan Cabernet Sauvignon 2017

Code JORD085

From one of California's most awarded wine estates and modelled after a First Growth Bordeaux, Jordan is a classic Californian Cabernet Sauvignon that has been considered one of Sonoma's best Cabernet Sauvignons for four decades with its perfect balance between beautiful fruit, silky tannins and a lingering finish.

Tasting Notes:

Black cherry, raspberry and clove aromas mingle beautifully with subtle hints of vanilla. The palate has a velvety richness that coats the mouth in concentrated flavors of black cherries, blackberries and a hint of nutmeg.

CACHET WINE

Specification	
Vinification	The vineyards are broken into a myriad of at least 20 separate blocks, each picked and fermented separately. Once harvested, the grapes are optically sorted, cooled and destemmed. Fermentation is in temperature controlled steel tanks, with each vineyard block fermented as an individual wine. After 10 days the wine is transferred into new and used French oak (100%) to finish fermentation. Racking takes place in the Spring, and the wine benefits from 18 months in 100% French oak, with barrels hand-picked.
ABV	13.8%
Size	75cl
Drinking Window	Drink now through to 2032
Country	USA
Region	California
Area	Sonoma County
Sub Area	Alexander Valley

Press Comments	Wine & Spirits December 2021 Year's Best U.S. Cabernets, 92 points "Cherry kirsch and allspice introduce this wine, giving it the sensibility of a gangly adolescent. That lean and awkward moment passes as oxygen has its way with the wine, enriching it, bringing depths to its notes of exotic dried fruits, emphasizing the floral complexity of a clean young cabernet. This is destined to age with grace." Decanter September 2021 95 points "...The wine is impressively fresh, with ripe blackberry, lofty purple florals and sweet cedar aromas courtesy of ageing in 100% French oak. Read more online
