

CACHET WINE

Le Charme Merlot by Philippe Lebrun

Code CHAR070

Our Le Charme range of Southern French varietal wines are amongst our best sellers, and made to our own exacting specifications; blended by our inhouse team of experts, in conjunction with each winemaker, to showcase each grape variety and landscape, these wines are fantastic value for money. The Merlot is a medium bodied soft red with the smooth, plummy fruit typical of the variety.

Tasting Notes:

A ruby red appearance, with lovely cassis and raspberry flavours and slightly spicy hints. A lot of fruit flavours on the palate with a hint of black pepper at the finish.

Specification	
Vinification	A small part of the crop goes through hot skin contact maceration in order to support the fruity aromas. The majority of the grapes are destemmed and sent to traditional maceration and fermentation for about three weeks. This long process is ideal to extract the character of the variety and to get a good structure with supple tannins.

Press Comments	Jancisrobinson.com, 2024, 16/20: "Basically this is summer pudding in a glass of wine. The tannins are as soft and plump as a goose-down pillow and the red-purple-blue-berry fruit is so lip-smackingly sweet that I strongly suspect there might be a smidgeon of residual sugar. It would be easy and ignorant to be snooty about this because it is so easy and appealing, but I can guarantee that in a crowd this would go down faster than any other red, and it is also the perfect gateway bottle for someone new to wine... a commercially appealing red with balance and aplomb. I say, well done."
