## Maso Franch Bianco, Cantina Lavis

---

**Code** CANT205

Produced on an old farm guarded by a magnificent, unspoilt environment and natural ecosystem which is home to the vines that produce this wine. Organic agricultural techniques are employed in the vineyard: this is the ideal situation for the vine to grow and live, with an excellent vegetative and productive balance. Maso Franch reveals the noble vocation of the agricultural ecosystem.

### **Tasting Notes:**

Maso Franch is bright golden yellow in colour with evident green highlights. Its mineral aromas are a prelude to a more fruity, citrusy scent. The evolution in the glass is continuous and intriguing, featuring wet flint and a slightly smoky note that completes the olfactory sensations. In the mouth it has an imposing structure and great depth. Broad and tight, with an evident saline component that caresses the palate.
