## Muerza Tempranillo, Bodegas Ugalde

---

**Code** MUER005

A pure, fruity, vibrant young Joven wine. There's depth of flavour, all very fruity with plum and blueberry notes, but as it is un-oaked you get a very pure flavour.

---

**Tasting Notes:**

An elegant red wine with hints of liquorice and dark fruit both on the nose and the palate. Well-structured and easy to drink due to a low level of tannins.

## Specification

**Vinification** The grapes come from the best areas within Rioja for Tempranillo, and are picked at optimum ripeness. Once at the winery the grapes are crushed and the juice fermented in steel tanks for around 4 weeks, with regular spraying of the skin cap to ensure good and even extraction of colour and tannins. Minimal chemical additions are made to the wine, and the acidity is balanced to ensure a lovely degree of freshness. Once finished fermenting the wine is transferred off its lees after 1 month and then settled and racked several times before bottling
