

## Pinot Grigio, Villa Sandi

Code VILL033

A serious Pinot Grigio from a quality driven producer, demonstrating the elegance this grape can achieve. Try this blind against other High Street wine and you will see the refinement and sheer class of both the grape and the producer shine through. Made with smaller yields, care, attention to detail in both vineyard and winery - is it worth the difference...? Yes, YES, YES!

## **Tasting Notes:**

Light stone fruits, floral notes and a hint of lemon drops with a mineral core running through the wine leading to a crisp finish.

Vinification         The Pinot Grigio grapes are harvested by machine in late September and early October, picked at optimum time according to each vineyard plot being analysed displayed and plot being analysed visual plant plot being analysed and the clear juice transferred into steel tanks for a long cool fermentation using natural yeasts.
