<b>Press Comments</b>	Brian Elliott, Midweek Weeks, 2026: "Despite their flowery (sometimes blowsy) ripeness, many warm climate pinot grigios lack crucial acidity. In contrast, this Trentino version delivers serious, wellstructured, Alpine-fresh wine but, inevitably, at slightly more money. Light yellow in colour with orchard blossom aromas, it brings us crunchy apple, ripe pear and subtle apricot flavours coupled with zesty acidity and a textured body containing a freshness that (fancifully) makes me think of mountain stream pebbles." Wine Merchant Top 100, Highly Commended, 2025.
