

# CACHET WINE

---

## Ployez-Jacquemart Cuvée Liesse D'Harbonville 2002

---

**Code** PLOY040

This is the jewel in the Ployez-Jacquemart range. It is produced using exceptional grapes with the specific aim of retaining the character of the particular vintage. It is matured for a minimum of 10 years in the cellars which bring out the year's quintessence whilst maintaining exceptional freshness

---

**Tasting Notes:**

A beautiful foam and a gold color still very fresh. The nose is very complex and has a beautiful richness.

---

# CACHET WINE

Specification	
<b>Vinification</b>	Following a strict selection at harvest, the blend is composed of 17% Pinot Noir, 66% Chardonnay and 17% Pinot Meunier. Primary fermentation occurs in 2-3 year old 225L oak barrels before being put to bottle 7-8 months after the harvest, to age for at least 10 years in the cellar before disgorgement. As with all wines of Ployez-Jacquemart, dosage is very low at approximately 3 grams per litre. Malolactic fermentation is avoided completely allowing the wine to mature with a very delicate and elegant bouquet with richness and structure crafted in barrel.
<b>ABV</b>	12%
<b>Size</b>	75cl
