

## Pure Pinot Grigio Rosé

## Code

PURE055

Refreshing and delicate, with far more character and elegance than the normal 'mundane' PG rosé you see from the big factory suppliers. A bit of a revelation!!

## Tasting Notes:

A very delicate pale pink colour, on the nose there are notes of redcurrant and other summer fruits along with a citrus edge. The palate is crisp, delicate and refreshing with a subtle strawberry note coming through on the finish.

Read more onlineClosure TypeSorew Cap	Vinification	Harvesting takes place when the grapes are deemed ripe and some colour has been noted in the skins. After de-stemming the grapes are very gently soft pressed and cooled. Cold maceration is initiated for 6-8 hours to allow the extraction of the colour from the skins (the characteristic "coppery colour"). Fermentation is in steel tanks at a low temperature, with the wine being aged on fine lees for 3 months prior to bottling.
